Power tools for trade & industry

Detector

PRO Wallscanner D-tect 200 C

The wallscanner for exceptional results: top performance and easy documentation

The most important data

Max. detection depth	200 mm
Bosch Radar Technology	yes
Detectable objects	magnetic metals (e.g. iron), ...

Part Number 0 601 081 600

Technical data

Technical data

Battery voltage	12.0 V	Dust and splash protection	IP 5X
Bosch Radar Technology	yes	Documentation via	USB-C, SD-Card
Detectable objects	magnetic metals (e.g. iron), non-magnetic metals (e.g. copper), live cables, non-live cables, Empty plastic pipes, water-filled plastic pipes, wooden substructures	Updatable	yes
Max. detection depth	200 mm	Material identification	Live cable, Magnetic metal, Non-magnetic metal, Non-metal material
Detection depth, dry concrete, max.	200 mm	Power supply	12 V Li-Ion battery, 4 x 1.5 V LR6 (AA), 4 x 1.2 V HR06 (AA)
Detection depth, early age concrete, max.	60 mm	Weight, approx.	0.7 kg
Detection depth, other wall types, max.	80 mm	Additional function	Leakage detection, distance measurement
Detection depth, wooden substructures, max.	38 mm		
Accuracy	± 5.0 mm		
Views	Object view, Spot view, Signal View 2D, Signal View		
Wall types	Brick/Universal, Concrete, Drywall, Panel Heating, Early age concrete, Horizontal coring brick, Vertical coring brick		

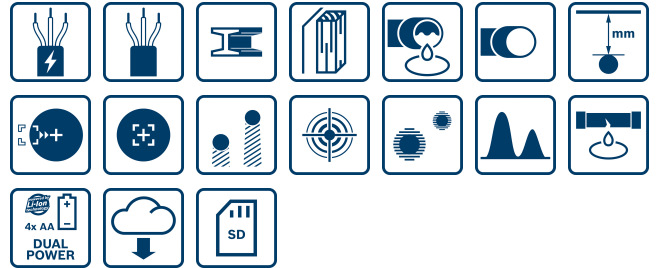

Product data sheet

Power tools for trade & industry

Advantages:

- Bosch Radar Technology and modern user interface for precision, higher safety, and clear illustration of detected objects
- Multiple views flexibly offer best results in various situations
- Screenshot feature supports quick and easy documentation; screenshots are downloadable via USB-C® and SD card slot

You can find more information about the deviations in the following link: <https://www.bosch-professional.com/gb/en/wac/>
